CAVENDISH PARK COMMUNITY ASSOCIATION

Newsletter No.8 August 2007

Strengthening the Community

Welcome to the 8th edition of the Cavendish Park Community Association Newsletter.

Here we are in the middle of summer?? Sunbathing on the beach, drinking our Pina Coladas and generally enjoying a lazy life!!

This is the first issue delivered to members only and the first to be circulated by email.

Reports in this issue:

- General Meeting
- Summer Fete'
- Team Trophy
- Community Awards
- Projects
- Dates for your Diary
- 100Club
- Contact Numbers

We are coming up to that time of year when subscriptions will become due – in September. Once again you can renew for the ridiculously small sum of £2 per household. No increase for the third year running.

The Association continues to go from strength to strength, but we do need your support, and your input/ideas, if we are to be even more successful, why not invite your neighbours to join us and help make this a community everyone, young and old, can be proud of?

There are a lot of changes in the pipeline for this town, many will affect you. Come to the Association meetings and hear what the police or council are doing/ not doing as the case may be, join us and help make a difference.

The General Meeting of the Association was held on 2nd April 2007.

A good turnout helped to make the evening very enjoyable.

A member of the local “**Safer Neighbourhood Team**” PCSO Andrew Hillman reported on the current policing arrangements for this part of the town. This was followed by a lively question and answer session before Andrew handed out a number of leaflets on keeping safe.

Councillors then gave a report on Town, District and County Council business. The chairman thanked Cllr Dot Paddick for her support for the Association and wished her good luck and good health for the future; **Dot did not stand in the May election.**

The FUN part of the evening. After the Association’s business had been concluded we moved on to the social part of the evening.

Everyone enjoyed the fun quiz; which was based on 5 questions from each of the last 4 decades starting at the 60s. Tea, coffee and squash were available plus two magnificent cakes.

Once again our thanks go to Dot Paddick for providing her wonderful mince pies.

THE SUMMER FETE’ 14th JULY 2007.

We have just completed our third Summer Fete, which as you know from our Leaflets we held in the grounds of The Firs residential home. Organising and running a Fete is hard work, but very rewarding, I have to say though it’s getting harder to find helpers, we need help to set up and dismantle the Stalls and various Games, (if you fancy helping out next year give Barry Farr a call).

The Raffle had 23 Prizes this year, generously given by local businesses and people generally.

We hold the fete each year to raise money to help local organisations - youth groups, charities, The Firs residential home, Grange Primary School and the East Anglian Children’s Hospice.

This year we have raised nearly £700 for distribution.

If you have a pet cause (no national charities please) that you think would benefit from a bit of financial help call me (**John Jenkins**) on 215257 and I will take down your particulars, and submit the details to the committee for consideration.

By John Jenkins.

Grange C. P. School Sports Day

Our chairman presenting the **TEAM SPIRIT TROPHY** to representatives of the Yellow team; who won for the second year in succession.

This is an annual presentation.

Children and parents enjoying their sports day at Grange School.

Community Awards –9th July

Winners of this year’s community awards with their parents.

We had 5 entries this year and would encourage everyone to nominate a pupil of the school who has done something which shows thought for others.

We hope that these awards will encourage the children to think of their community and work with others in a positive way.

Projects

The following projects are in the pipeline.

More lights on the playing field:

This has been amalgamated with the widening of the footpath – see below – and will be done in conjunction with a cycle track.

Widening of Footpath:

Widening of the footpath leading from the rear entrance of Grange C.P. School to Cavendish Park. We are awaiting the county council to complete this; some survey work has been done
