CAVENDISH PARK COMMUNITY ASSOCIATION

Newsletter No. 12

October 2009

Strengthening the Community

Welcome to the 12th edition of the Cavendish Park Community Association Newsletter.

If you are not a member yet, then why not join? For just £2.00 per household per year you can be kept informed about the issues affecting your area, and raise your own concerns to the committee who are here to champion your causes for our community. If you are interested in joining please contact one of the committee members named on the back of this newsletter.

Help us to effectively represent you!

The Association continues to go from strength to strength, but we do need your support, and your input/ideas, if we are to be even more successful, why not invite your neighbours to join us and help make this a community everyone, young and old, can be proud of?

The names of the newly elected committee for 2009/10 can be found on the last page of this newsletter.

If you are willing to volunteer for any events please contact Barry Farr - details overleaf

Report on the 2009 A.G.M

Our Chairman blowing out the candles on the 5th Anniversary cake at the AGM.

This year we celebrated our 5th anniversary; 47 people attended. Inspector Steve Gallant accompanied PCSO Andi Hillman and spoke to the meeting about the things everyone can do to protect their person and property. Andi presented the crime figures for the past year.

Councillors Dangerfield and Newman each gave an update on what the Town, District and County councils were doing. The chairman gave a report on the Associations achievements over 2008/9. This was followed by the social part of the evening

Amalgamation of OGRA and CPCA

A proposal to amalgamate C.P.C.A with Orwell Green Residents Association was passed at the AGM.

A new name was adopted:

“Cavendish Orwell Residents Association”

*In future the newsletter will be headed
C.O.R.A*

Oaks Community Garden

The Association purchased a **water butt** & a **wormery** for the community garden at the Oaks children centre. This means they can compost their garden waste and the children can learn about the process involved. The garden is coming along well and a lot of hard work has been put into planting and making this project a success. Volunteers are welcome.

Grange school community awards

There were 7 entries this year (with one child being nominated twice). We would encourage everyone to nominate a pupil for next year's awards; a child who shows they think of others.

These awards are designed to encourage the children to think of their community and work with others in a positive way.

This year's winners

Grange School Team spirit trophy

This award is given for the team which works well together, encourage each other to do well and generally exhibits good behaviour on the day. This year green and yellow teams tied as the winners and red team shone through with their sportsmanship towards each other and throughout the afternoon.

Summer Fete

Bird of Prey at the Fete'

**It was a lovely summer's day
Enjoyed by lots of families**

A big thank you to all those who helped with the fete' and to those who came along to support us. A good time was had by all. We had a large raffle with some very exciting prizes which were donated by local businesses and enterprises, so thank you to everyone who made donations of all kinds for this worthwhile event.

Skateboard Park

After nearly 20years of planning, (from the first idea of wanting) a skate park in Felixstowe the skate park has now been built and was officially opened on 1st September. It was a well attended day and youngsters released balloons whilst skating and BMX competitions were held. The project cost £180,000 and the planting work should be completed in November. Do you have an opinion on the skate park? If so contact one of the committee members and let us know your view. It may even be published in the next newsletter.

Dates for your Diary in 2010

General Meeting

Monday 12th April -7.30pm

Annual General Meeting

Monday 13th September 7-30pm

Both at Christ Church upstairs room

Cycle paths

Some of the cycle paths around Cavendish Park have been incorrectly marked. This has caused some confusion with pedestrians and cyclists alike. The council are aware of this problem and we hope they will rectify the markings soon.
